

late President Stephen L. Richards is to be memorialized in the new Physical Education Bldg, presently under construction in Cougar Stadium. The building, slated for completion in 1965, will cover more ground than any other building on campus.

Wednesday To Feature YU Symphony Concert

U's Symphony Orchestra, under the direction of Prof. Ralph Laycock, will present a concert Tuesday at 8:15 p.m. in the Auditorium.

The concert will include classic and contemporary series, opening with "Symphony" by Ludwig van Beethoven. The symphony departs from the traditional concepts of the symphony to develop it as a more personal means of expression, described Prof. Laycock.

THE ORCHESTRA will play a virtuoso to Michael Ivanovich's light-hearted "Russian Suite." Included will be four movements from Aaron Copland's "Rodeo Suite," "Buckaroo Holiday," "Night Nocturne," "Saturday Night Waltz," and "Tie-Down."

THE 85-PIECE orchestra re-

cently finished a tour of Salt Lake and Utah Valley High Schools.

Members of the orchestra also recently recorded the score of the Broadway show, "Carnival," to be used for the Provo, Salt Lake and tour performances of the show.

Prof. Laycock received his M.S. in orchestral conducting from the Juillard School of Music in New York in 1948, and is presently completing his doctoral work at the University of Southern California.

New Y Physical Education Building To Honor Former President Richards

The new Physical Education Bldg, now under construction in Cougar Stadium will be named in honor of the late Stephen L. Richards, first counselor in the First Presidency of The Church of Jesus Christ of Latter-day Saints.

Acting President Earl C. Crockett said the Board of Trustees approved the name earlier this month in correspondence with Dr. Ernest L. Wilkinson before he resigned as University president.

THE NEW BUILDING, being built by Garff, Ryberg, and Garff Construction Co. and Oakland Construction Co., is expected to be finished in the late summer of 1965.

The structure, located on the site of the present BYU football field, will cover more ground area than any building on campus. It will include three swimming pools, four gymnasiums, three dance studios, seven lecture rooms, a scouting room, research area, 38 offices, and laundry.

Dr. Wilkinson said Pres. Richards constantly urged the administration to provide adequate physical education facilities on campus.

HE ATTENDED BYU games whenever possible, urged the school to keep strong in athletic competition, and gave the dedica-

tory prayer at the opening of the Smith Fieldhouse which stands today as "a model for ideal sportsmanship and fair play."

"During his entire life, President Richards was a friend and supporter of BYU," Dr. Wilkinson said. "It is my understanding that he was one of those largely responsible for the action taken in September 1938 in superseding the local Board of Trustees with a new Board composed of the First Presidency and the Quorum of the Twelve. This change served to constitute BYU as the official Church university and was an important factor in its subsequent growth."

President Richards died May

19, 1959, at age 79 after a life-long dedication to the Church, education, business and community. He was appointed to the General Authorities in 1917 and was succeeded as first counselor when David O. McKay became president of the Church in April 1951.

His close friendship with President McKay began in 1905 when both became members of the Sunday School General Board on which both served until 1934.

PRESIDENT Richards was a born in Mendon, Cache County. He was a grandson of Willard Richards who stood with the Prophet Joseph Smith in Carthage Jail when Joseph and his brother Hyrum were murdered.

Johnson Proposes Plan To Freeze Weapon Level

GENEVA, (UPI) — President Johnson Tuesday proposed a five-point peace plan that challenges the Soviet Union to join the United States in an agreement to freeze nuclear missiles and other strategic weapons at their present numbers.

THE PRESIDENT, in a message to the 17-nation disarmament conference that was resumed here Tuesday, also called for a halt to the spread of nuclear weapons and an end to production of fissionable material used in atomic bombs.

The Soviet Union countered with a seven-point project. It demanded, among other things, a withdrawal of foreign troops from Europe, an East-West non-aggression pact and the creation of nuclear free zones around the world, above all in Europe.

HOWEVER, the Soviet propo-

ed arms reduction measures be taken on good faith alone, as Ambassador Semion K. Tsarapkin put it. "by mutual example" He did not mention international inspection vital to the American plan.

But the U.S. chief negotiator, William C. Foster, told newsmen that Ambassador Tsarapkin's "tone was hopeful for the future."

ON THE Western side, the British Minister of State for Foreign Affairs, Peter Thomas, immediately endorsed Johnson's proposals as likely to "give new impetus" to the conference. France boycotted the conference as it did in the last session that was recessed four months ago.

Steve Davis... California Lad Wins Contest, Collects Prize

Steve Davis' talents in extemporaneous speaking won him an \$80 tuition grant and first place in the Donald C. Sloan Extemporaneous Speaking Contest.

The political science junior from Modesto, Calif. won with his comments on the achievements of the 88th Congress. He quoted Senator Everett Dirksen ("R-Il.") who called it a "stop, look and listen Congress." Mr. Davis, who is also winner of the recent Heber J. Grant Oratorical Contest, won over three other finalists who also spoke of subjects chosen from current events.

SECOND PLACE winner, Reed Warnick, a history senior from Wheatridge, Colo., spoke on the problem of classifying "liberalism" and "conservatism" in contemporary America.

Other finalists were Ingrid Thompson, Provo junior, and Charles R. Rultz, Illinois sophomore, who spoke on the Communist influence in South America and Cuba, respectively.

Works In Bronze, Cement Appear In Sculpturings

An exhibit of works by 13 leading West Coast sculptors is now being displayed at the BYU Art Dept. gallery, 310 Education Bldg.

The show, "Invention and Tradition in Contemporary Sculpture," was organized by the Art Association of the San Francisco Art Institute for national circulation by the Institute's Art Bank.

A small traditionally executed bronze figure by Esther Fuller and a cement totem by noted Portland sculptor, Hilda Morris are also being shown.

Jim Bishop... journalist and syndicated columnist will address Forum Assembly.

Political Science Head to Fill Venezuelan Post

Mark Cannon, chairman of Political Science Dept., has been appointed consultant to the State of Public Administration according to Acting President C. Crockett. He will soon be taking up duties in Caracas, Venezuela.

Dr. Cannon, with headquarters in New York, has been with the Ford Foundation for many years in the South American country.

Venezuelan unit Dr. Cannon will be advising is the Foundation for Community Development and Municipal Improvement.

Dr. Cannon will be working with a team of specialists headquartered in Caracas that will assist Venezuelan officials in setting up systems of public administration including planning, training and city ordinances.

Chairman of the Political Science Dept. since 1961, he was formerly administrative assistant to S. Congressman Henry Aldrich.

Dr. Cannon is a former Argentine member of the Church of Christ of Latter-day Saints.

Mark Cannon . . . to fill Venezuelan post.

secretary of the Utah School Merit Study Committee, and helped author the book "State and Local Government in Utah" for the Utah Foundation.

His assignment will keep him in Caracas from four to 18 months. He has been granted a leave of absence by the University Board of Trustees and expects to leave about Feb. 1.

Mental Exam Scheduled For Jack Ruby

DALLAS, (UPI) — Proclaiming a legal victory, attorneys for self-appointed executioner Jack Ruby withdrew his request for bail Tuesday on a court's order to send him to a hospital for intensive mental examination. Ruby was led from court smiling.

THE DEFENSE, headed by famed San Francisco attorney Melvin Belli, immediately demanded transfer of Ruby's scheduled murder trial from Dallas to another Texas city.

Criminal Dist. Court Judge Joe B. Brown appointed a neuropsychiatrist, Dr. Martin L. Towler, as a "disinterested party" to conduct hospital tests on the strip-tease night club owner who shot Lee Harvey Oswald, Nov. 24, while a nationwide television audience watched.

THE RAIL bond hearing that resumed Monday after a month's recess ended abruptly after withdrawal of the defense bid for bail bond.

The defense contended Ruby suffers a form of epilepsy and did not know what he was doing when he shot the accused slayer of President Kennedy. It said he needed extensive examination not available in jail.

DIST. ATTY. Henry Wade charged that Ruby knew what he was doing. The prosecution suggested he killed Oswald to win fame and "make a million besides."

Murrow Retires From Position; Rowan Named

WASHINGTON, (UPI) — President Johnson announced Tuesday that Edward R. Murrow has resigned as director of the United States Information Agency (USIA) and is being replaced by Carl T. Rowan, now ambassador to Finland.

ROWAN, a former newspaperman, will become the first Negro in history to sit regularly at meetings of the National Security Council and the cabinet. Until his appointment Tuesday, the highest ranking Negro in the government was Robert C. Weaver, head of the Housing and Home Finance Agency.

In a letter to the President, Murrow, a former radio and television personality, stated that he "was separated from a cancerous lung in early October."

HE SAID that although he has been assured that the operation was successful and recovery has been normal, "it will be several months before I can resume full-time duty" at the USIA.

During that period, Murrow wrote, "I could not direct its affairs as I would wish, as I have tried to do, or as you are entitled to expect it to be directed."

MURROW said he had previously told President Kennedy he might have to resign.

Lady Bird Johnson Ends NY Excursion

NEW YORK, (UPI) — Mrs. Lyndon B. Johnson ended her first pleasure visit to New York as First Lady Tuesday by refurbishing her wardrobe with clothes brought to her hotel suite for approval.

THE FIRST LADY said she had an "exhilarating" day Monday visiting museums and attending a preview of Arthur Miller's new play, "After the Fall." But she said she would not leave her hotel Tuesday until time to return to Washington by plane Tuesday afternoon.

France Rejects Warning By U.S. Against China

PARIS, (UPI) — France Tuesday tersely rejected a United States warning against recognizing Communist China.

THE REJECTION came in a "caveat note" replying to a Washington note Monday saying it did not consider French recognition of the Peking regime to be of service to the free world, French diplomats said.

President Charles De Gaulle also has met opposition from West Germany to his plan to recognize Peking and discussed the issue with West German Minister of State Heinrich Krone, the diplomatic sources said.

KRONE arrived Monday for ceremonies marking the first anniversary of the Jan. 22, 1963, French-German treaty of cooperation and was reported to have informed Foreign Minister Maurice Couve de Murville of Bonn's "surprise" that he did not consult West Germany.

Under terms of the friendship treaty, mutual consultations are to precede major diplomatic moves by either country.

GOVERNMENT sources said De Gaulle would discuss foreign reaction to his decision to grant Peking official recognition at a cabinet meeting Wednesday. But he will go ahead with plans to announce recognition within a week, they said.

Well-informed sources discounted reports Chinese Communist Premier Chou En-Lai, now visiting Africa, would visit Paris where Chou once lived as a student. They also said De Gaulle plans to exchange Charge d'Affaires with Peking before exchanging ambassadors.

Ohioan Glenn Campaigns For Senate Post

COLUMBUS, OHIO, (UPI) — Astronaut John H. Glenn said Tuesday he would wage an "intensive" campaign for the Senate and then flow to Washington to begin the process of retiring from the Marine Corps.

THE FAMED spaceman who scored a major victory Monday in forcing the Democratic state organization to take a neutral stand in his race with the incumbent Sen. Stephen M. Young will not be able to actively campaign for the nomination until he is separated from the service.

Glenn was scheduled to leave Columbus aboard United Air Lines Flight 418 at 3:35 p.m. to arrive in Washington at 5:42 p.m. An aide said he would spend Wednesday in Washington discussing personal matters with Marine personnel officers and then return to his home near the space center at Houston, Texas.

MRS. GLENN left Tuesday afternoon for their Texas home but his headquarters said it was not sure of her travel and arrival plans.

Dismaying Lack Of Integration Is Apparent In Men's Fashions

by Mark Bench
Galaxy Editor

For purists, unfortunate things are happening on the men's fashion front. It isn't that these things are important innovations of which men need to be aware, but it seems that poor taste is theogue.

Fewer than five years ago, no gentleman would wear anything other than a white shirt after 5 p.m. Today a young man wears his Henke Hikers to campus in the morning and returns in the next-to-formal affair on campus that evening wearing thinly striped sport shirt in a red striped tie.

Men used to be careful not to mix plaids, checks, polka dots, diagonal vertical or horizontal stripes in combinations not pleasing to the eye. Through the styles shown in men's fashion shows, however, purists about the thought of such "integration."

The English essayist Macaulay once wrote in Victorian-age wisdom, "All I expect of people is consistency, and rather in the right than in the wrong." If clothing is indicative of the wearer's consistency, and that's important to you, learn the difference between Natural Shoulder Ivy League, and Continental clothing.

You'll learn that Natural Shoulder ties can be as wide as 3 inches but never less than 2 1/2 inches, and that the tad of the Continental emblem is the only flag under which a one inch tie can be flown. A non-pleated pant is Continental. A button-down collared shirt is Natural Shoulder if it is the long 2 1/2 inch collar. The wide spread, shorter collar though buttoned down is Ivy League.

Leading men's pants brands are doing marvelous things in both their winter and spring lines. They include "earth tones" in both a heavy fabric which maintains its crease as well as sharskin or gabardine, and also in lighter blends.

Buying quality merchandise always pays in the end. But don't

buy anything you're just passive about purchasing. Chances are you'll die of what you've bought all too soon. But a ward-robe well-integrated as to color, pattern and fashion will yield much pleasure because you can dress coordinately in the morning, having an air of confidence and yet forget all about appearance for

the rest of the day. One last note—strict correctness suggests that white dinner jackets be worn only during summer months. But don't be alarmed. As long as you're dressed cleanly, as long as your clothing is well-pressed, there is nothing to worry about on the BYU campus. Just be consistent.

Republican Unit Selects Adviser

Dr. Melvin Mabey will be the new advisor for the Young Republicans Club on campus.

Dr. Mabey is a graduate of Oxford University where he studied as a Fulbright scholar. He is very active in conservative politics on campus.

Dr. Mabey fills the vacancy left by Dr. Richard Hakes who is now the Chairman of the Utah County Republican Party.

The Club is planning social activities and cultural meetings for the coming semester, according to Keith Romney, president.

Auditions Planned For Musical Groups

Auditions for membership in the Symphony Orchestra, Concert Band, and Instrumental Ensembles will be held in 130, Social Hall, Thursday from 2-5 p.m. and Friday from 7 until noon.

APPOINTMENTS for other times may be made by phoning Prof. Ralph G. Laycock at EXT. 2217. Particularly invited are players of French horn, cello, string bass, baritone horn, cornet, and trumpet.

Membership in the Varsity Band can be arranged without audition, with Prof. Richard N. Ballou, EXT. 2304.

"THE SOUND OF JAZZ"

On Thin Ice... With Bud Tolman

Nice To Be A Winner...

It's nice to have a winner, especially an underdog who turns into a shiny knight and brings forth honor and the golden buck.

Tolman

That's the role the Cougar mat team played Monday evening when they received some inspired performances and handed Oregon State its first loss of the season by a 17-15 count.

The Beavers had everything in their favor prior to the opening bell. They were nationally rated, the Cougars had given them an automatic five points on a forfeit in the 130-pound class, they had greater experience and it was the Puma's third match in a four day string.

Coach Clint Whitfield's charges were up to the occasion however, and this is a tremendous tribute to Whitfield's coaching abilities.

Classy Mac Motokawa was the only Cougar grappler able to come up with a pin and it was evident any victory would have to be a team effort.

OSU Held A 15-14 Lead

Mike Hart, Motokawa, Mike Young and Dennis Herenden piled up a sizable BYU margin before Pacific Coast League champion Len Kaufman and Mike Walker were able to pin James Brown and Randy Pentz to send the Beavers into the lead at 15-14.

However, it only took Monte Jones' clinching victory in the heavyweight class more enjoyable to the partial Cougar crowd and the Puma matmen.

The victory should give the Cats a tremendous boost in moral for the upcoming Western Athletic Conference championships.

The Beavers were undoubtedly one of the toughest opponents on the BYU wrestling schedule and should make the Cats favorites to successfully defend their WAC title. Oregon State has been victorious six of the last seven years in the Pacific Coast Conference and last year would up fourth in the NCAA finals.

Three of the Beaver matmen, Lee Rosenberg, LaVerne Alton and Len Kaufman, hold Pacific Coast crowns and John Isenhardt finished third on the coast last season.

Five Wins In A Row Now

For coach Whitfield it was a well-earned victory and now gives him and his charges five in a row after losing the first two of the 1963-64 campaign to Colorado and Montana State.

They have now conquered Utah, Idaho State, Arizona, Arizona State and Oregon State and their schedule pits them next against Utah State Friday evening in the Fieldhouse. Their next match after the Aggies will not be until Feb. 3 when they tackle Washington State. The Cougars of Washington State will not be as formidable as OSU but will still present a tough problem for the Cougars of Brigham Young.

The Puma's victory was a surprising one when their experience is evaluated but coach Whitfield has spent three years building winning Cat squads from mostly freshmen and sophomore racks.

In his first year at Cougarville as mat mentor Whitfield led the Mountain Cats to third place in what was the Sixteen Year Olds. Then, last year, he led the Western Athletic Conference championship from a team dominated by freshmen and possessing only a single senior.

Lost Six Top Matmen This Season

This season, Latter-day Saint Missions pulled most of the claws from last year's defending champs and with six front-liners missing from the squad, the season outlook appeared gloomy.

The Cats started slow, with two straight losses and then started a winning streak that is still going and could go for some time yet.

The Cats will lose their top competitor again with the departure of Coach Whitfield, who is heading for greener fields on the West Coast.

Whitfield appears like a caged version of a Cougar when he sits on the bench during one of the Cat matches, trying to instill verbally into his players the proper way to hold or escape.

Coaching Position May Be Problem

He has had only three years of coaching experience including three at the X and two at the high school level, since he graduated from UCLA but with the brilliant record he has compiled at Cougarville he shouldn't have any trouble finding those greener pastures. The Cats will have difficulty finding someone to replace him.

Cougars Tackle Powerful OSU Next With Kittens Meeting Junior Farmers

by Bud Tolman
Universe Sports Editor
Powerful Utah State is the next opponent on the Cougar basketball schedule with the Mountain Cats heading north to test the Aggies on their home court in Logan Saturday.
THE ALWAYS tough Aggies have built up a sparkling record of 10 wins and only two losses and have been good enough to claim fifth place on the national cage polls this week.
Leading the Aggies is high-

scoring forward Wayne Estes who has gained top billing on Coach Stan Watts' problem board this week. Estes is a burly 6-6 sharpshooter who possesses a wide assortment of offensive moves.

Another problem facing Watts in the Aggie encounter is putting a halt to the Farmers' No. 2 man on offense in 6-8 center Troy Collier.

FOR THE COUGARS it will be double trouble with frosh coach Pete Witbeck taking along his high-flying Klitten squad to tackle the Junior Aggies in a pre-Varsity tilt.

The Kittens received a momentary scare in Ogden last week when they tangled with the Weber cage quintet but wound up on the long end of a high-scoring 107-91 affair.

Led by Gary Hill, Neil Roberts, Craig Raymond, Ken James and Jim Jimas the Kittens are looking for the mythical Bechive State frosh championship.

The varsity cagers weren't quite so lucky and suffered their sixth loss of the season, a 71-65 conquest by the Denver Pioneers in the mid-high city.

THE COUGARS were outstuffed, outbounced and even more simply, outplayed by the Pioneers and will have to pick up some of the slack if they expect to upset the heavily favored Utah State quintet this Saturday.

Utah State has no conference affiliation and thus has to play each contest as if it were a league tilt. Thus far they have made their bid for an NCAA berth look good with only two losses. They finished with a 20-7 record last season and then lost out in the NCAA semis.

ESTES AND COLLIER were part of that lost last season and are hoping for another chance to prove themselves. The Aggies aren't too strong outside their

big two only Larry, the second forward, possessing much experience, but Estes is averaging over 27 points per game and Collier over 21 and perhaps these phenomomental Farmers can lift the squad to the NCAA.

This is a job for Stan Watts and his charge solution must be found. Probably John Fairchild can handle the moves of Collier but finding someone to hold Estes is another question and the answer could win a ball game.

B/YD's Lead In Intramural Bowling As First Semester Competition Closes

The first half of the intramural department's mixed team bowling came to a thrilling finish Saturday morning as the BYD's captured by Bruce Morr put down the challenge of the Knights and Ladies, captained by Jim Tynall, 329 to 395, in the playoff match.

DAVE GIAOUK, Sharon Birrell, and Vickie Price bowled the 200 for the semester victory. Each member of the team will be awarded a trophy.

Scores were consistently high and Saturday as members of the fourteen teams met at the Regal Recreation Center to compete. Russ Monroe had high scratch for the semester with 226, and Vickie Price led the ladies with a fine 305. Monroe also scored the highest single game with 253, and Barbara Avery came in with the highest score of her life to top the women's honors with a 209.

IN ADDITION to the high games, some very fine averages were maintained. Five men were very close to the 180 mark for 26 games: Russ Monroe, 180; Dave Wright, 179; and Bruce Furr, Brent Sears, and Ron Ostler, all with 178 averages. The women were led by Sharon Birrell with a 153 average. Miss Birrell was followed by Diana Martinovich with 143, Martha Palmer, both with 140; Joanne Rabidou, 138; and Vickie Price, 136.

Second half of play will resume for the mixed team bowling league on February 15 at 9:30 a.m. There is plenty of room in

the league for all interested bowlers, and the intramural department has stressed that a high average is definitely not necessary.

ALL BYU students who are interested in competing in this league are urged to contact Dave Wright, league coordinator (373-410), or the intramural department for further information. All bowlers have been invited to a semester warm-up Feb. 8, at 9:30 a.m. at the Regal Recreation Center. Free games will be awarded to the lucky bowlers.

In other bowling competition, all men bowlers interested in representing BYU in a match game against the University of Utah Feb. 1, are requested to contact Dave Wright or the intramural department immediately. Play-offs will be held at the Regal Recreation Center Saturday at 1 p.m. or 4 p.m., whichever time is convenient to the holder. Individuals may also make special arrangements to try for the team in the event that these times prove impractical.

THREE TEAMS will make the trip to Salt Lake City. Later in February the Intramural Department will sponsor a team trip to Boulder, Colo., to compete in a tournament there with several other universities.

Intramural team bowling got underway this week and will continue after a recess for final exams and registration. Competition will resume Feb. 6. All team bowls on Monday, Clubs bowl on Tuesday and Residence Halls bowl on Thursday. All matches begin at 4:15 p.m. For information team captains are urged to contact the intramural office, Ext. 2350.

ENTRIES are still being accepted in checkers, chess, and table tennis doubles. Entries must be submitted prior to 5 p.m. Friday. (Checkers and chess are co-recreational activities and the Intramural Department urges girls to participate.) Entries are available in Room 223 Smith Fieldhouse.

Snow Due At Innsbruck As Olympic Teams Arrive

INNSBRUCK, AUSTRIA. — Olympic teams trooped into this frozen capital Monday amid hopes for fresh snowfall to ease the shortage that has made Olympic preparations a race against time.

THE WINNING gained momentum in the Nordic slide and jumping sites at nearby Seefeld, the huge Innsbruck stadium and the bob-sled course at Igls.

The Nordic men's and women's teams of Finland, Russia's first cross country team, speed skaters from Russia, Canada, North Korea, East Germany and Austria, and bobbed squads of Italy, Britain and the United States and Austria were in Innsbruck to familiarize themselves with the Olympic courses.

THE GAMES are scheduled to open in just a few days, Jan. 23, and the first time in seven years for the first time in seven years there is a promise of snow.

Strong southern wind broke old and the long-range weather forecast has predicted no snow during this weekend.

Innsbruck has had virtually no snowfall since last November. Earlier heavy weather predictions were for rain which would have ruined the runs.

ORGANIZERS were prepared for any extreme weather conditions, including sudden blizzards.

UCLA Keeps Hold On Top Ranking In National Polls

NEW YORK (UPI) — Surging Wichita broke into the exclusive 10 Monday and UCLA, the nation's No. 1 college basketball team, opened up the widest first place margin of the season in the United Press International ratings.

WICHITA, winner of seven straight games and threatening to make a shambles of the rugged Missouri Valley Conference game, vaulted from 12th to 8th place. Wichita was the first new entrant in the UPI top 10 in a month.

There was no change in the positions of the first six teams in the standings.

UNBEATEN UCLA was ranked first by 32 of the 35 coaches in the UPI board and piled up 60 points, four short of a perfect 350 rating.

Gridiron Coach Slates Meeting For All Players

Head Football Coach Tom Hudspeth announced Tuesday that there will be a compulsory meeting for all football players in preparation to try out for spring practice.

The meeting will be held in 200 Smith Fieldhouse at 3:30 p.m. Thursday.

The players will discuss registration at this meeting and all players must attend this meeting or make other arrangements with Coach Hudspeth.

Redskins Invade Provo

The Brigham Young University gymnastics team will be after their first victory Wednesday as they meet a strong team from the University of Utah on the main floor of the George Albert Smith Fieldhouse.

THIS IS the first time that the Redskins have ever mustered enough interest to fill a team in this sport but that won't be standing in their way as they challenge the Cougars to duel in one more sport.

The Utes have filled their roster with a dozen very fine gymnasts and are relying upon them

as well as desire to beat a team sent on the floor by BYU Coach Rudy Moe.

BOTH THE Cougars and the Redskins have been in only one meet this year and both of them faced the Arizona State Sun Devils as a common opponent. The Cougars put up a slightly better fight than did the Utes in their opener and by virtue of these scores the Mountain Cats hold a slight edge as favorite.

The coming meet is scheduled for 7:30 p.m. Wednesday. Students will be admitted to the match with their activity cards.

Dr. Wilmer Tanner ...

Professor Named Editor Of Professional Journal

Dr. Wilmer W. Tanner, BYU professor of zoology and entomology, has just returned from Cleveland where he was selected editor of "Herpetologica," official publication of the Herpetologists League.

He attended the meetings of the American Association for the Advancement of Science as secretary of the Utah Academy of Science, Arts and Letters.

At the conference Dr. Tanner presented a scientific paper at the section for the Herpetological League, an international organization concerned with study and research on reptiles.

The paper was "A New Sauropterygian," a description of a new subspecies of chelonian from the Upper Colorado Basin of Utah.

Dr. Tanner, who joined the BYU staff in 1949, has published scores of studies in science journals, and is a member of Sigma Xi, honorary science fraternity.

Conference Will Take Trial Form

"Family Moral Values on Trial" will be discussed at the Second Annual Family Life Conference in the Smith Family Living Center at BYU Friday.

HELD IN the form of a trial the conference will put on trial the subjects of dishonesty, selfishness and immorality. The audience will serve as the jury and Dr. Elmer Knowles will act as prosecuting attorney. Dr. Clyde Farnsworth as defense attorney, and Dr. Harvey L. Taylor as the judge.

The court will emphasize the need for courtesy and consideration by showing that family members are self-centered, and how difficult it is to find time for other people and their needs.

THE COURT will depict various times in which the family consciously and unconsciously seeks to avoid commitment demanding honesty and integrity.

The general public and 200 students from five school districts will attend.

ANYONE wishing to attend should contact their local PTA president or Dean Virginia Culler's office in the Smith Family Living Center. A fee of \$1 will be charged for a lunch which will be served at the conference.

Registration will be held at 8 a.m. in the Smith Family Living Center.

Marden Broadbent of Utah State University is general chairman.

Students Can Get Grades on Feb. 3, 4

With the use of the new 7040 Computer, all grades for students will be available the morning of Feb. 3, according to Dean of Students J. Elliot Cameron. "However," he stressed, "it is requested that students not seek grades from professors ahead of the schedule."

STUDENTS may receive their final grades in the multi-purpose area of the Smith Family Living Center Feb. 3 and 4 from 7 a.m. to 5 p.m. upon presentation of their activity card.

Dramatic Show Needs Dancers Actors, Singers

Tryouts for actors, dancers and singers interested in performing Shakespeare's "A Midsummer Night's Dream" will be held Feb. 3 at 7 p.m.; Feb. 4 from 4-6 p.m. and Feb. 8 from 9 a.m. to noon in 11 Knight Bldg.

TO TRY OUT for a speaking part the applicant must prepare a one to two minute speech from any of Shakespeare's plays. It can be memorized or read. Those interested in dancing or singing roles need only attend one of the scheduled tryout times.

According to Dr. Charles Metten, director of the production, tall women of 5'10" or over as well as tall men are especially needed.

Further information may be obtained from Dr. Metten at Ekins House, 1700 N. Canyon Road, or at Ext. 2179.

BURNT OFFERINGS

BURLINGTON, IOWA, (UPI)—The Midwest Biscuit Co. scorched 50,000 cookies when an electric short stopped a conveyor belt pulling the cookies through two huge ovens.

Y Credit Union Slates Meeting

The annual meeting of the BYU Employees' Federal Credit Union will be held Friday in the Smith Auditorium at 7:30 p.m.

Business of the meeting will concern an announcement of plans for the 1964 year and an important announcement on the dividend policy.

ELECTION of Board of Directors to replace outgoing members Arvel Ballif, Lee Valentine, and Elaine Anderson will be held.

According to Gerald Mathews, chairman of the nominating committee the elections of four Credit Committee members to replace Dr. Eugene Campbell, chairman of the History Dept., Bruce A. Barrett of the Wymount Terrace Married Housing, B. F. Harrison of the Botany Dept., and Carol Smith of the Science and Medical Dept. of the Library will be elected.

Genealogy Class To Be Transferred To Religion Dept.

Genealogy 103, now under the General College, will be transferred to the College of Religious Instruction spring semester as Religion 203.

The course will be taught by Norman E. Wright, and David H. Pratt of the Genealogical Society in Salt Lake City. The standard two hours of religion credit will be given.

Religion credit is also available for two other Genealogical courses, Religion 361 and 362. Section 1 of Religion 361 will be taught at 12 a.m. instead of 9 a.m. as stated in the Class Schedule.

Additional courses in genealogy can be found in the Technical Institute section of the student Course Catalog for 1962-64.

Greyhound Bus ...

Depot Makes Temporary Move

The Provo Greyhound bus depot has moved to temporary quarters at 42 N. 1st East, according to Mary Bivins, assistant manager.

The move will allow for the construction of a new restaurant and Greyhound station which will begin Feb. 1.

The present building will be razed to allow for the new construction which will combine a spacious restaurant with a bus agency in such a way that neither will conflict with the other.
